Acoustics

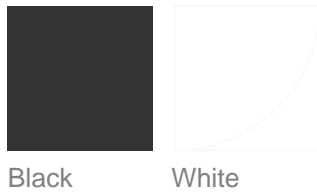

We recommend you come and try our Bill range for yourselves and experience the space in any of our showrooms.

There isn't an industry standard for measuring 'acoustic ratings' so we highly recommend you come and try out for yourself, and experience how the dens make you feel. You can't beat touching, feeling and experiencing our hand crafted products.

Power Options

To make the most of the time with Bea, various power options can be added to ensure you are fully topped up on your laptop / mobile device, allowing you to video call for hours on end.

*We don't recommend table top power with an open sided den.

A single plug is needed to power the den - the power cables are 2m long and can be plugged into a floor box underneath or a nearby wall plug

What's it made from?

FSC® certified (FSC-C109654) birch plywood,
Polyurethane acoustic foam,
Stainless steel glass fixings,
Grey carpeted floor,
Laminated FSC® certified (FSC-C109654) MDF table top
10mm toughened glass,

All of our products are made in house in the UK. Any components that are bought in are manufactured within a 10mile radius of our facilities.

*Only available when specified with end wall.

**Castors cannot be used with glass walls. Castors require the den to have a floor.

***Non adjustable, VESA 100 X 100 compatible max screen size 42".
