

CABLE MANAGEMENT WIRE BASKET

ABL's Wire Basket provides a sleek finish to the office desk and allows a range of cables and the popular under desk PMK power module to sit neatly to avoid damages. Wire Baskets are easy to install via the fixing brackets provided. The chrome finished basket will help keep cables tidy, reduce knots and prevent trip hazards.

The same bracket is used for both under desk (top) and modesty panel fixing.
If extra space is needed, for example to access sockets, the basket may be moved to position 5 whilst access is required.

Always return to position 3 when work is completed.
