

dixy

Modular seating with real panache, Dixy is cleverly designed to create a statement in any waiting or meeting area. Dixy is available as either a single unit or a corner piece allowing a variety of configurations to be constructed - from a two seater settee to a complete modular system, and because of its simple yet clever design, Dixy can be re - configured into any number of shapes allowing clients to create a fresh feel within open plan arenas. The chrome powder coated underframe provides a strong, airy and visually attractive foundation.

Chair options

code		BH	W	D	SH
