

FortySeven

A CLASSIC REINVENTED

Introducing FortySeven

FortySeven (or Classic Tables as they were previously known) have been reinvented because no matter how good a product is, it can always be better.

These simple, elegant and incredibly versatile tables are still constructed with the same meticulous attention to detail, stability and quality, but now, they've been reinvented; sculptured and crafted to give FortySeven a softer and more delicate silhouette.

Low

True to form, FortySeven gives greater freedom to mix with the addition of a Low level table, creating a holistic range of tables suitable for any scenario or location.

Work

Whether waiting at reception or working away from your desk, FortySeven Work has large top designed to help you work in harmony.

CORE STABILITY

Stability was key when developing FortySeven, this core principle applies across the entire range: low, dine, work and high; creating a range of extremely stable tables with a simple silhouette that belies the integral strength but of course, doesn't compromise on their design.

Dine

Available in a round and square table top, FortySeven fits a wide variety of indoor environments; offices, cafés and restaurants.

High

FortySeven's incredible versatility, meticulous attention to detail and stability means the high pedestal table is extremely strong and balanced.

Specifications

All FortySeven's pedestal tables are made from galvanised steel and a cast aluminium base with a with powder coated finish.
