

Hot Desk Storage Box

A low cost, portable, storage solution, for files, documents and personal effects.

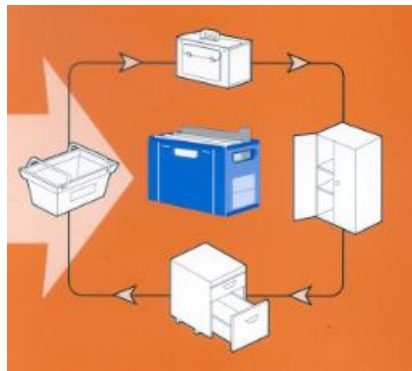

Hot Desk Box is fabricated of opal Correx, with contrasting black trim, for a lightweight, yet durable container, which is easy to wipe clean.

It is supplied flat-packed for simple, compact storage, but can be assembled in moments, when required.

Hot Desk Box is finished to Foolscap size, to accommodate most commonly used files and folders.

Hot Desk Box Dimensions:
38cm wide x 16cm deep x 26.5cm high

Optional accessories for Hot Desk Box include carry straps, which simply thread through pre-punched holes in the top of the box, plus a clip-on plastic lid.
