

ISLE

Isle was developed as a response to the need for a softer more domestic feel to modern-day commercial furniture and designed as a true expression of simplicity in form. Using a minimalistic approach to materials and design we have created a statement table system that has an honest, playful character with concealed functionality for everyday use. A single natural material is used throughout Isle's silhouette bringing a softness to the surrounding space. Rounded ends promote inclusivity and social interaction, and the texture from the timber can help create a calm and tranquil atmosphere. Isle approaches function in a way that is true to itself with aesthetic benefits like cable management and below-surface power seamlessly hidden away from plain sight.

FEATURES

- Softer more domestic feel to modern-day commercial furniture
- Minimalistic approach to materials and design
- Waterfall edge detail
- Rounded ends promote inclusivity
- High level of craftsmanship and finish
- Premium materials
- Seamless power flap
- Concealed cable management with cutout for cables

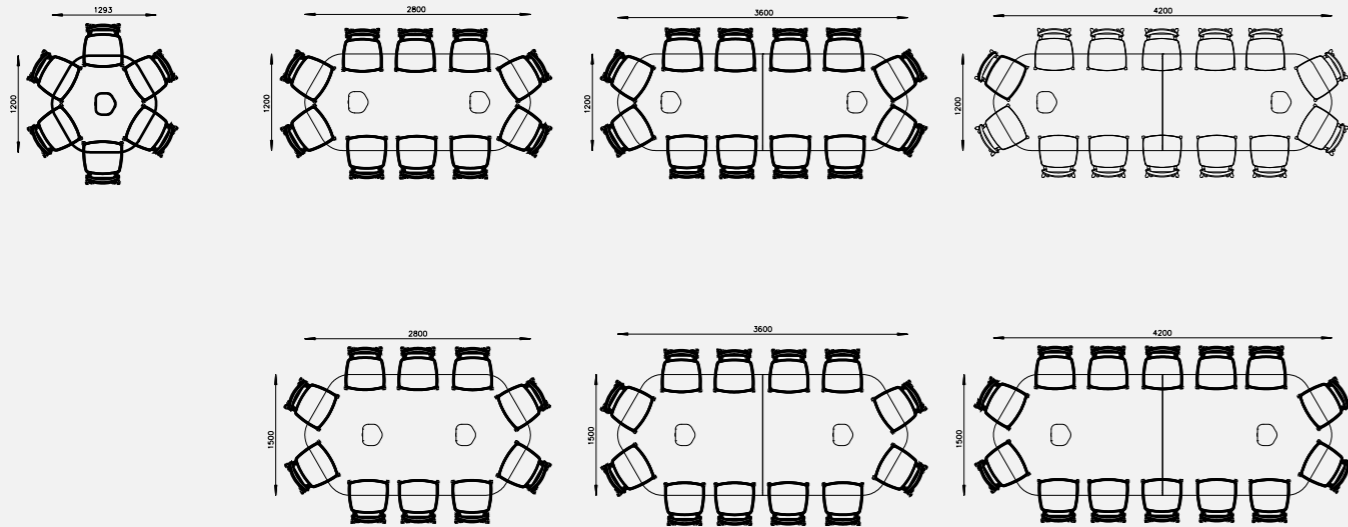

STEPS TO SPECIFY

Follow our guide and customise our products to suit your space

Select Size:
Example sizes with chair configurations below, see page 42 for full range of sizes.

Diagrams show a 49.9cm chair placed around the tables as seating capacity indication only. Capacity can be increased with the use of benches. Tables over 279.9cm are more than one-piece tops, seams as shown below.

Select Power: Powered or Non-powered

Isle tables can be specified with or without integrated power. The Solid ash Isle tables with Power are supplied with a lift-out power flap. Cutline edge and Sawn edge tops are supplied with surface mounted power units.

Standard power configuration for Isle Tables with Power

For power variations, the amount of power cut-outs per table varies depending on the length. Power modules per power cut-out are available with one of the options below.

Table Length	Power Cut-outs
1200 x 1200	1
2800 x 1200	2
2800 x 1500	2
2350 x 1200	2 (Surface Power only)
3600 x 1200	2
3600 x 1500	2
4200 x 1200	2
4200 x 1500	2
