Antimicrobial: JIS Z 2801:2000
Independent testing has verified that Just Patterns and Just Colour are effective at reducing the spread of MRSA, E.Coli and other similar bacteria.

Cleaning instructions: Clean regularly with a damp soapy cloth and rinse well with clean water. Difficult substances including lipstick, ink and food colouring should be removed immediately. A soft brush can be used for heavy, ingrained soiling. In cases where disinfecting is required the surface can be cleaned with a solution of disinfectant specified by the manufacturers. The use of solvents, bleaches, abrasives, sythetic detergent, wax polishes or aerosol sprays is not recommended.
