

# Retro

## DIMENSIONS

## TABLE SHAPE

## POWER & DATA

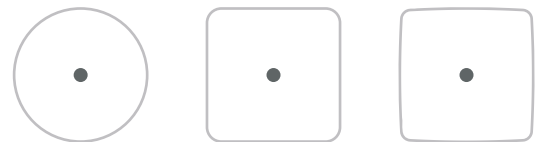

The Retro table range can be specified with both a Pixel unit and PixelARC unit, located centrally on the table top.

## POWER & DATA OPTIONS

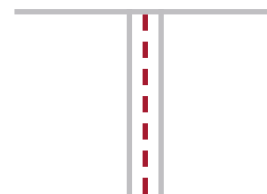

PixelARC	Pixel	PixelTUF	Arc80	Pluto
●	●	●	●	●

## POWER & DATA LOCATIONS

## CABLE MANAGEMENT

When Power & Data is specified, the Retro table stem will accommodate cable management (shown in red on right), with allowance for the cable and plug to run under the base plate.
