

SmartBox

A low cost, portable, storage solution, for files, documents and personal effects.

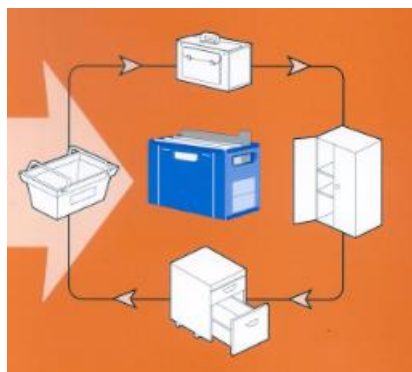

SmartBox is fabricated of opal Correx, with contrasting black trim, for a lightweight, yet durable container, which is easy to wipe clean.

It is supplied flat-packed for simple, compact storage, but can be assembled in moments, when required.

SmartBox is finished to Foolscap size, to accommodate most commonly used files and folders.

SmartBox Dimensions:
38cm wide x 16cm deep x 26.5cm high

Optional accessories for SmartBox include carry straps, which simply thread through pre-punched holes in the top of the SmartBox, plus a clip-on plastic lid.
