

# STACK

## SMART HIGH DENSITY STORAGE

SPACE SAVING & CLEVERLY CONFIGURED, STACK OFFERS AN EXCELLENT MOBILE SOLUTION FOR HIGH DENSITY STORAGE OR ARCHIVING REQUIREMENTS.

Designed to slide effortlessly on a neat and compact track, STACK combines traditional storage, locker and drawer elements in a smart way, maximising both space efficiency and storage capacity.

STACK is also fully customisable offering further versatility with a range of options including acoustic panels, planters, magnetic whiteboards and coat hooks.

Make the most of your storage with STACK.

The neat & compact track allows STACK units to be moved effortlessly boosting storage capacity where space is limited.
