Sway2

Revolutionary lounge seating with gyroscopic motion

Sway2 is the first of its kind, offering a new definition in comfort with a unique gyroscopic motion. It allows the user to gently move front-to-back like a rocker, swing side-to-side like a cradle, and swivels 360 degrees like a task chair.

Versatile and durable, it is ideal for both collaborative environments and private retreat areas alike, adjusting to every individual's versatile seating styles.

- Rotationally moulded polypropylene shell and base available in 3 colours
- Designed to withstand high-demand environments
- Optional matching ottoman and side table

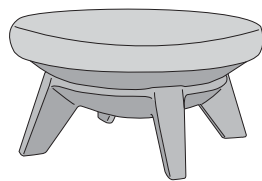

Made in USA | Lifetime structural warranty, 5 year on upholstery
