

Tick

The popular Tick has a comfortable oval shaped moulded cut foam seat and back. Tick is fully adjustable and can be supplied with a choice of five star or cantilever bases and additional ergonomic options.

Ratchet back height adjustment helps to achieve your correct seating position.

Comfortable oval shaped moulded CMHR cut foam seat and back.

Offered with a choice of mechanisms:

- M1 - PCB permanent contact back
- M2 - Tilt - adjustment of seat and back angles independently
- M3 - Synchro - synchronised seat and back action. Synchro mechanism option offers tension adjustment to suit individual user weight.
