

# Urban

With its bulb shaped back and generous size seat. Urban offers a high level of comfort and style. Multi-functional mechanisms, ratchet back and tension control allow the chair to be quickly adjusted to suit individual users.

Ratchet back height adjustment helps to achieve your correct seating position.

Generous size seat with CMHR foam offers a high level of comfort.

Offered with a choice of mechanisms:

- M1 - PCB permanent contact back
- M2 - Tilt - adjustment of seat and back angles independently
- M3 - Synchro - synchronised seat and back action Synchro mechanism option offers tension adjustment to suit individual user weight.
