

## Wire mesh doors, steel carcass Lockers

### VISI OVERVIEW

VISI is perfect for storing personal items and suitable for a variety of Industries. Provides clear visibility of contents without compromising on security. VISI is easy to install and easy to re-configure.

VISI. Robust lockers with wire mesh doors. Maintaining security while providing visibility.

### VISI BENEFITS

- Clear visibility of contents
- Boosts security
- Excellent ventilation
- Improve organisation, helps to keep main working areas free of clutter
- Optimises space
- Position banks of lockers against a wall or use back-to-back as a workspace partitions
- Durable and strong: sides, back and front pillars are cut and folded from a single steel sheet, providing greater rigidity to the locker
- Streamline aesthetics
