

IBENCH

iBench, offers total functionality. With a choice of 3 leg designs, fixed or sliding tops, 600mm and 800mm depths and 3 trim finishes, iBench is ideally suited for the modern day office.

 The hoop leg design offers a stylish alternative to the contemporary goal post leg. Available in a choice of 3 trim colours, the hoop leg is a popular choice for the modern day office.

iBench is available with sliding or fixed desk tops. A choice of cable ports or desktop scoop allows for various cable routing to suit all requirements.

Mocha desktops with a white under frame is a new, modern combination to add a fresh appearance to your office colour scheme.

The 'A' frame leg offers an angular alternative to the goal post and hoop leg options. Add black trim creates a more prominent aesthetic appeal.

The classic iBench goal post leg continues to provide the minimalistic bench look throughout the range. Adding variation with unique iBench storage creates a positive office environment.

Individual desks are also available in 3 leg options. Choose between rectangular, single wave, double wave or a radial workstation. Cable trays and modesty panels can be added as an optional extra.

The introduction of iBench boardroom tables in each of the 3 leg designs provide a consistent theme throughout the office layout.

Third level storage can be fixed to the leg frame providing additional personal storage.

Mass cable risers can be fixed to the shared intermediate leg to conceal cabling. iBench frames are available with fixed and sliding desktops. Sliding tops with desktop scoops allow easy access to a shared cable tray.

FINISHES

BOARD FINISHES

All products are manufactured using 18 & 25mm thick Melamine Faced Chipboard (MFC) sourced from across the world for optimum quality.

All desking, storage & pedestal tops are finished with 2mm PVC heavy duty edging tape.

TRIM FINISHES

All metalwork is epoxy powder coated with a choice of up to 3 finishes as standard.

DESKTOP SHAPES

Cable Management is available through individual or shared cable trays, Power towers or mass cable risers.
